

Scientific Storage of Furs and Fur Garments at Reasonable Prices

Women's Section—

AN EXTRAORDINARY SALE OF TAILORED SUITS and COATS

At A Third to a Half Their Value

Manufacturers have been hit hard by the backward seasons. Several of the best makers have sold us beautiful suits and coats at astonishingly small prices. These we have added to our own incomplete lines, in order to make this splendid offering of rich and handsome garments, as a fitting climax of the present season. We believe this will be the most successful sale of cloth suits and coats we ever held. The styles, the values and the amazing reductions foretell it. Sale starts Saturday morning.

Electric Bill Not**Yet Considered By
Judiciary Committee**

Concerning the report printed in the Hartford Courant today to the effect that the Judiciary committee was evenly divided upon the bill repealing Section 2,916 restricting the sale of electricity, a member of the committee said this afternoon: "The matter has never been discussed nor considered by the committee."

WALL STREET TO-DAY.

(Special from United Press.) New York, June 4.—The market ruled active and strong in the early morning with wide openings in a number of active stocks. The feature of the trading was the sudden developed demand for Atchison, the first sales being reported as 6,000 shares from 112 to 113 against 110 5/8 at yesterday's close. Erie were also strong, the common stock selling above 36 while the preferred shares showed fractional gains. The Hill stocks showed gains and the high price of Southern Pacific was again listed to above 131. The industrials were equally prominent. United States Rubber advanced one point and Smelting advanced about the same amount. Steel common and preferred shaded off a little at the opening.

It a. m.—Violent advances were made in a number of trading stocks. Southern Pacific continued to advance, selling above 133. Atchison was also strong, advancing three points. Gains were made in a large number of stocks ranging from one to over three points, but as in the preceding days the upward movement was not shared in to a proportionate extent all through the list. There were many legends and in a few cases some important declines were noted. The most notable excep-

tions were the Steel issues. Some of the bull leaders had a story that the Southern Pacific had sold all its oil land to the Standard Oil Company for \$60,000,000. London bought over 50,000 shares, including large amounts of Union Pacific, Southern Pacific, Atchison and St. Paul. Government bonds unchanged; other bonds strong.

Deaths and Funerals.

The funeral of Timothy McMahon was held this morning from the residence of his daughter, Mrs. Hugh McLevy, 178 Sherwood avenue, at 8:30 o'clock, and thence to St. Mary's church, where Rev. Thomas F. Mulcahy sang a high mass of requiem. The pall bearers were Terrence and Michael McMahon, John Geary, Thomas and Jeremiah O'Leary, and John Connors. The interment was in St. Michael's cemetery.

Ruth A., widow of John S. Barbin, died at her late residence, 63 Winter street, at an early hour this morning after a brief illness. She was 57 years of age.

CEIBA, HONDURAS, IS UNDER MARTIAL LAW.
(Special from United Press.) Washington, June 4.—Wireless dispatches received today from Puerto Cortez, say that Ceiba, Honduras, is under martial law and Revolution. The American gunboat Paducah, now in those waters, has been requested to call at Ceiba for the protection of foreign life and property and called yesterday morning from Bluefields. Communication with the capital of Honduras, Tegucigalpa, is cut off.
